LUNCHTIME LEARNING

ACCESSIBILITY WITH APPLE

JANUARY 22 · 12:00 – 1:30 P.M.

REGISTER NOW

Scan the QR code or visit

cds.udel.edu/apple

Join Apple for this 90-minute session to learn about the accessibility features you can put to work on your iPhone, iPad, or Mac every day, right out of the box.

We'll explore Apple's built-in features for Vision, Hearing, Mobility, Cognitive and Speech supports.

Together we'll learn how these features can be personalized and customized for the diverse needs of all users.

CENTER FOR DISABILITIES STUDIES

*The University of Delaware is an equal opportunity/affirmative action employer and Title IX institution.
For the University's complete non-discrimination statement, please visit: www.udel.edu/aboutus/legalnotices.html*
