

The Caregiver Experience: Tools to Assist in the Journey

Don't miss this exciting and educational conference for family caregivers and professionals. Keynote speaker Jim Adams and others will provide information on valuable caregiver topics. Breakout sessions will allow you to choose other topics that are most important for you. Plus hear other speakers, network with colleagues, visit vendor tables and win door prizes.

Thursday, April 16, 2020
WITC-Ashland
8:30 a.m. – 3 p.m.

WITC-Ashland
2100 Beaser Avenue, Ashland, WI 54806
Registration Fee: \$35 (\$14.52 for 62+)

Ashland/Bayfield County Aging unit

Keynote Speaker:

Jim Adams worked as an aerospace engineer for NASA doing mission planning and analysis for the Gemini and Apollo space programs. He also worked for the Department of Defense in software development and ground station operations for aerospace data systems. For 24 years he taught Math, Physics, Computer

Science, Aeronautics, Astronomy, and other courses at Chetek High School in Chetek, Wisconsin. After retiring from teaching in 2002, Jim taught graduate classes for educators and now has a mission to make people aware of Lewy Body Dementia through public speaking and volunteering as a Community Educator for the Alzheimer's Association. He is author of *Other Me's: My Caregiver Experience with Lewy Body Dementia* and enjoys playing pickleball, hiking, bike riding, nature photography, building and flying RC model airplanes, playing harmonica, banjo, guitar, cooking and eating.
