

## Older Americans Act Consultant-Transportation Specialist

The Greater Wisconsin Agency on Aging Resources (GWAAR) is looking for a **full time** Older Americans Act Consultant-**Transportation Specialist**. This position will provide ongoing training, technical assistance and advocacy to the Aging Network (ie: aging units/ADRC's) in our seventy-county, eleven tribe service area with a primary focus on, but not exclusively limited to transportation and mobility options for older adults. This position will also provide oversight, technical assistance, training and assurance of quality for general aging services.

Bachelor's degree from accredited college or university with a preferred major in transportation planning or management or services for older adults/human services. Three years of related experience working with transportation programs for older adults. Mobility Management certification preferred. For a full job description, go to [www.gwaar.org](http://www.gwaar.org) and click on the About link, then Employment Opportunities.

Send or e-mail cover letter and resume to the following:
