

NEXT GENERATION OF LEADERS

A network for land use and development professionals

Since 2015, White + Burke has been hosting semi-annual networking mixers for the next generation of leaders in the land use industry.

These have been made possible thanks to our founding sponsors and other contributors who believe that the future of our firms is in this next generation of leaders.

In addition to our founding sponsors, we have 4 remaining sponsorship opportunities per event.

- First come, first served basis.
- One event: \$300
- Both events: \$500
